Do you have an address for the bin? The supervisor indicates that its not where it is supposed to be and someone has moved it.

Hi Delilah,

Our team tells me that is a receptacle serviced by a BID. They will reach out to them and ask them to service it. I sent the storm drain request in.

Good afternoon, Sarah,

I hope this email finds you well! I hope you and your family are safe and sound.

Just wanted to check in and share a new location for a storm drainage clean up; is possible. A quick check in for the 'supposed' trash can on Commerce Avenue. I noticed it again during my community drive. Is there a possibility to check on this? I can also make phone calls if need be!

Second, I drove to a case site on Foothill Blvd and Wheatland Avenue. I have attached the images onto this email. If possible, can we work on cleaning the storm drainage?

Looking forward to hearing from you!
Much Gratitude,
Delilah Shahbazian
